This message is being viewed in an archive.

Thanks to everyone on the invitation list for agreeing to attend this meeting tomorrow (Nov 9th) at 2pm EST.

Given the context of this meeting, we are attempting to have a video conference, so far I have video links for Cincinnati, Duluth, and Ada.

Regardless of your video capability, the call-in number is

Attached is the memo we sent to ORD back in February outlining our research needs for nanocopper.

Guidance to ORD on NanoCopper Needs 2-16-11.docx

Again the purpose of the meeting is to share OPP concerns regarding working with Osmose products rather than on specific research directions or deliverables.

The Agenda for the meeting follows:

Introductions (5 min)

AD Background - Nanocopper research needs (10 min)

ORD Presentation on what they have done and plan to do (20 min)

OPP Concerns regarding working with Osmose (20 min)

Closing (5 min)

Best, Jed

Jed Costanza, PhD Office of Pesticide Programs **Antimicrobials Division** Regulatory Management Branch I (MC-7510P) 2777 S. Crystal Dr. Arlington, VA 22202 703-347-0204
